About Us

In 2013, BYINTEK brand was born, and since then, we ranked among the world's top projectormanufacturers. What truly differentiates BYINTEK is our long-term commitment to "portable andbattery-operated projection", making us one of the very few brands globally with a clear and consistent focus in this category.

Nowadays, BYINTEK has established a strong global footprint, supported by an extensive distributor network spanning over 100 countries and regions. Our goal is simple: to be a reliable partner that helps our partners grow successfully in their local markets.

من نحن

تأسست علامة BYINTEK عام 2013، ومنذ ذلك الحين رسّخت مكانتها بين أبرز الشركات المصنّعة لأجهزة العرض على مستوى العالم. ويكمن ما يميز BYINTEK في التزامها طويل الأمد بتطوير أجهزة العرض المحمولة والعاملة بالبطارية، لتصبح واحدة من العلامات التجارية القليلة عالميًا التي تتبنى هذا المجال كتخصص واضح ومستمر.

واليوم، تتمتع BYINTEK بحضور عالمي قوي، تدعمه شبكة واسعة من الموزعين والشركاء تمتد إلى أكثر من 100 دولة ومنطقة حول العالم. وتتمثل رؤيتنا في بناء شراكات موثوقة وطويلة الأمد، ودعم شركائنا لتحقيق النمو والنجاح في أسواقهم المحلية.
